Termite And Pest Solutions

There is no reason to tolerate termite or other pests' damage when the experienced staff at *Amco Ranger Termite and Pest Solutions* is just a phone call away. Since 1965, Amco Ranger has been serving St. Charles County and the greater St. Louis area with their safe pest control solutions and 100 percent satisfaction guarantee.

As a QualityPro Green member, an industry program exclusive to National Pest Management Association members, Amco Ranger has proven to be as responsible towards the environment as it is to its customers. They offer green pest control services that really work by utilizing new organic and reduced-risk products.

Customer satisfaction is of the paramount importance to Amco Ranger. If for any reason work is not done to 100 percent satisfaction, they will keep returning until the problem is solved, or refund the last service payment. Their service warranties are also second to none, and Amco Ranger provides damage warranties on qualifying termite services as well as other industry-leading service warranties. This is all part of their "Badge of Guaranteed Protection." The symbol of guaranteed pest protection and over 40 years experience

in pest management.

Amco Ranger keeps its staff up-to-date on the latest technologies and industry advancements by providing continuous training and education. Their technicians are well-trained, security-screened and drug-tested so homeowners can trust them in their homes. At Amco Ranger, safety and effectiveness go hand-in-hand.

As a locally family owned and operated business for three generations, *Amco Ranger Termite and Pest Solutions* treats customers with the respect and care they deserve. Customers can rest assured that those irritating pests will be gone and their homes will be left unharmed.

Call today for a free, no obligation home inspection and look for the Badge of Guaranteed Protection.
